April 14, 2005, 6:43 PM

Present: Roy Timpe, Gloria Kemmerer, Robert Kopfer, Eugene Orlando, Jr. – Orlando and Strahn, Tom Unger – Systems Design Engineering, Inc., Keith Shuman – Public Works Foreman, Diane Hollenbach – Recording Secretary

Guest: Kristopher and Vicki Kipp

Roy Timpe called the special meeting of the Maidencreek Township Board of Supervisors to order at 6:43pm at the Maidencreek Township Municipal Building. The purpose of the special meeting was to discuss and possibly take action of the proposed Maidencreek Township Stormwater Ordinance.

A motion was made by Gloria Kemmerer, seconded by Roy Timpe, to adopt Ordinance 200 Stormwater Management. Mr. Timpe asked if there was any discussion from the floor.

Kristopher Kipp, 305 Faith Drive, Blandon asked what the ordinance regulated and if there would be anymore then normal runoff discharged to the Willow Creek. Mr. Timpe stated that the ordinance requires new developments to over retain storm water and discharge at a rate less than predevelopment. Potentially, as more land is developed, the streams could improve. Mr. Kipp questioned which streams feed into the stream behind his home. Bob Kopfer stated that there are many streams – the one from Fleetwood Park, Richmond Street, the Maidencreek Park empty into the Willow Creek, which empties into the Maiden Creek.

Hearing no further discussion on the motion, all members voted, "Aye." Motion carried.

Since there was no further business, a motion was made by Robert Kopfer to adjourn the April 14, 2005 special meeting of the Maidencreek Township Board of Supervisors. All members voted, "Aye." Motion carried. Meeting adjourned at 6:48 PM.
