Karl Bolognese called the Special Meeting to order at 7:00 PM and asked everyone to rise for the Pledge to the Flag. Karl Bolognese informed the guests that this Special Meeting was advertised for the purpose of adopting the “Maidencreek Township Sewage Management Program Ordinance”.

Township Solicitor, Richard Orwig outlined the provisions set forth in the proposed “Maidencreek Township Sewage Management Program Ordinance.”

The Board members explained the purpose of this ordinance is to provide for the regulation, inspection, and rehabilitation of on-lot sewage disposal systems; to further permit intervention in situations which may constitute a public nuisance or hazard to the public health; and to establish penalties and appeal procedures necessary for the proper administrations of on-lot sewage management program.

Ronald Kemmerer questioned if this ordinance would allow a township official to inspect his on-lot septic system without any type of notification.

Marty Buck agreed he would not appreciate an inspection of his on-lot septic system without notification.

Roy Timpe made a motion, seconded by Karl Bolognese, amending Section V, C. as follows: An authorized agent shall have the right to enter upon land for the purpose of inspections described in this section after a reasonable attempt has been made to notify the property owner. Motion passed.
