RE: Roundabouts

Dear Ms. Feidler,

Recently you requested a letter expressing my feelings towards the impending construction of the 222 Roundabouts. I'm also in receipt of a proposed resolution that expresses my "concerns" relative to the 222 Roundabouts.

I discussed your requests and the draft resolution with the Commissioners during our April 9, 2018 NBRPD Commission Meeting. At the direction of the Commissioners, I will not be preparing a letter and I do not wish to be included in your draft resolution.

Should you have further questions and or concerns in this matter or future matters, the Commissioners asked that you discuss with your respective Supervisor who also is the Police Commissioner.

With the above information in mind the Commissioners made a motion directing all requests from other supervisors and or council members should be directed to their respective police commissioner.

Respectfully,

A handwritten signature in black ink, appearing to be "B. Horner", written over a horizontal line.
