Training Location: 1 Quarry Road, Blandon, PA

Number of Attendees: 10
Training Package: \$904.54

SERVICES INCLUDED: Handbooks, custom PowerPoint presentation including video. Training classes have been custom designed from our multi-state experiences and the thousands of work zones we have established throughout the course of the past decade. All training programs utilize *Turning Technologies* interactive training system and time-tested in class training methods.

DURATION: The Flagger Training course includes three hours of classroom instruction and an additional hour comprised of written and demonstrative testing.

SITE REQUIREMENTS: Client is responsible for providing a suitable training facility capable of accommodating your group in a productive learning environment when the number of attendees is 5 people and over. The training room needs to include tables and chairs for the total number of participants, as well as darkening capability to view a PowerPoint and video presentation. Additionally, we need a small area separate from the main room for the demonstration portion of the Flagger Training. Weather permitting, the demonstration portion may be conducted outside.

CANCELLATIONS: Cancellation decisions must be communicated to our Training Coordinator or Academy Trainer by 5 PM the day prior to the class taking place. If the training class is not cancelled with sufficient notice, \$ 135.71 will be invoiced.

CLASS SIZE: In order to keep the class length manageable the maximum class size is 16 attendees.

PAYMENT: The entire estimated total is required to be paid in full before any training will be scheduled.
