The Township Solicitor opened the Maiden creek Township Recycling Public Hearing at 6:45 PM in the Maiden creek Township Meeting Room. He explained to the guests that this public hearing is being held to hear testimony and public comment relative to the pending Recycling Ordinance.

Maiden creek Township is required to implement a recycling program per Act 101 since the township population has surpassed 6000. The Board of Supervisors, the Township Secretary, the Operations Director attended informative meetings, gathered information from municipalities that recycle, and conducted numerous workshop meetings through out 2002.

The Board of Supervisors discussed several definitions that appear in the Recycling Ordinance to further clarify wastes that will be collected. The Township Secretary requested that the quarterly reminder mailings should be changed to semi-annually mailings for Commercial establishments to report their recycling efforts. The Solicitor agreed to make the minor corrections to the ordinance.

The Recycling Public Hearing was closed at 7:30 PM.

This is a brief synopsis of the Recycling Public Hearing. A Stenographer recorded all testimony, comments, and amendments for the Recycling Ordinance during the Recycling Public Hearing.

Respectfully submitted,

Ruth M. Manmiller
