THANK YOU

Greetings,

I would like to take the time to personally thank you for your part in the completion of my Eagle Scout Project this past summer. I have been awarded the rank of Eagle Scout & would not be in this position without your community support. The project included the beautification of the grounds surrounding the Kathleen Anspach Memorial Bench, and the installation of a flagpole at the Maiden Creek Community Park. The project was completed with a flag raising ceremony on September 23rd.

Please accept this letter as a token of my gratitude and I hope you have a wonderful holiday season!
