

RESOLUTION of the Board of Directors of the Fleetwood Area School District, Berks County, Pennsylvania, expressing concerns that the Pennsylvania Department of Transportation has failed to adequately consider school related traffic problems that will result if the Proposed Round About at Route 222 and Tamarack Blvd. and Genesis Drive is constructed;

WHEREAS, the Fleetwood Area School District transportation office has studied the impact this proposed Round About will have on student transportation; and

WHEREAS, the Fleetwood Area School District has critical school bus stops (for pick up and drop off of students) which are dangerously close to the proposed Round About; and

WHEREAS, increasing the lanes of traffic will increase the ongoing problem of vehicles failing to stop when school buses are loading/unloading students in area of the proposed Round About; and

WHEREAS, the Fleetwood Area School District has grave concerns of rear end collisions with other vehicles or school buses by paying more attention to the proper driving lane then to a stopped school bus; and

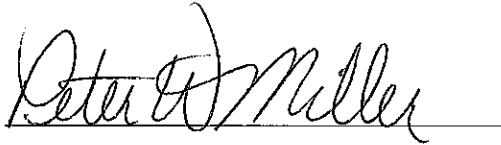

WHEREAS, because Round Abouts require proper lane usage, the Fleetwood Area School District has concerns of vehicles switching lanes or not using their turn signals will cause accidents or result in motor vehicle violations.

NOW, THEREFORE, in consideration of the above recitals, which are incorporated herein by reference, the Board of Directors of the Fleetwood Area School District, Berks County, Pennsylvania, resolve that:

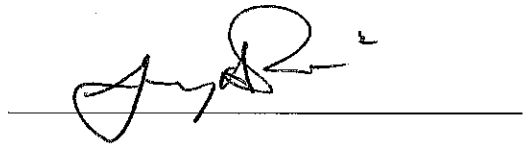

1. The Fleetwood Area School District opposes any Round About on Route 222 in Maiden creek Township.

2. That Pennsylvania Department of Transportation undertake a study of the traffic problems that will be created by a Round About and develop a traffic plan that takes into consideration the concerns of the Board of Directors set forth in the incorporated Whereas clauses.

3. That a copy of this Resolution be sent to the Pennsylvania Department of Transportation, Senator David Argall, Representative Jerry Knowles, and the Township of Maiden creek.

President, Board of School Directors

Secretary, Board of School Directors
