DESCRIPTION: Supplement No. 10 Price Estimate
Includes New Zoning

Thank you for sending the legislation for the next Code update. Upon review, we estimate that the cost to codify Ord. Nos. 242 and 243, including revisions to the Table of Contents, Disposition List and Index, will be between \$6,995 and \$7,995, which includes shipping and handling of 7 sets of supplemental pages.

Our records indicate that you are to receive Code on CD with each supplement.. Since you also have eCode360[®], and can easily download any sections/chapters to either word or pdf, do you still need this CD? There is an additional fee of \$25.

- Yes. Please send the CD in word format.
- No. We do not require the CD any longer.

To authorize the supplement, sign this ESTIMATE and FAX (585-328-8189) or EMAIL (ezsupp@generalcode.com) it back to us.

I authorize General Code to proceed with the supplement as outlined above. This order is subject to General Code's Codification Terms and Conditions, which are available at www.generalcode.com/TCdocs.
