Dear Chief Horner

The Board of Supervisors of Maiden Creek Township unanimously objects to your proposed outside employment as a dissolution consultant for Ontelaunee Township in regards to the police department that you are charged with running on behalf of all three municipalities. As Chief of the Northern Berks Regional Police Department, you will be a central participant in the dissolution process that has been initiated by Ontelaunee Township and Leesport Borough. You will be directly involved in the production and dissemination of information and resources which must take place in a fair and unbiased way. You have a duty of loyalty to all three municipalities as participants in the Commission, and your employment by any one of them under these circumstances places you in a clear conflict of interest. We ask you to reconsider your announced intention and not pursue or accept such employment with Ontelaunee Township until the Police Commission is dissolved. We feel it is inappropriate for you to do so.

Please reconsider and advise.

Thank you,

Maiden Creek Township
Board of Supervisors.
