indicated that it had not been requested. He was offering his candid opinion, apologized if he had offended Ms. Fiedler, and stated he had not billed the Township for the email. Ms. Fiedler stated Mr. Orlando was unprofessional by criticizing two Board members and the public that attended the meetings, by stating that she had an agenda and that she was whipping up the public to come to the Township meetings. Ms. Fiedler stated she was elected to represent the people. For the record she has a meeting set up through Senator Argall's office with Penn DOT on May 17th at the County Building at about 2 o'clock in the afternoon to discuss this round about. Heidi Fiedler asked for the solicitor's resignation. Mr. Orlando stated he served at the pleasure of the Board.

Jim Courtney of 433 Troy Drive, Blandon found the comments insulting and agreed with Supervisor Fiedler.

Tom Gorgia of 307 Monaco Lane, Blandon stated he had been in the round about fight from the beginning and was part of forming the committee of residents to oppose it. He never considered the Board his enemy. He felt the round abouts were an important issue and doesn't want to see it buried. No one is "agendering" him. He does the "agendering."

A motion was made by Heidi Fiedler to hire Fox Rothschild as special counsel for Maidencreek Township. The motion died for a lack of a second. Heidi Fiedler again asked for the solicitor's resignation and a response from Mr. Orlando. Mr. Orlando again stated he serves at the pleasure of the Board and strongly disagreed with her characterization of his email. There were no comments from any other Board members.

MANAGER'S REPORT – Diane Hollenbach

Summer Help – Diane Hollenbach reported that Antonio Rosa was returning for his fourth year as summer help. The rest of last year's helpers were not returning. BUSINESS

Resolution on RoundABOUTs – Heidi Fiedler summarized the resolution she was proposing. The resolution agreed with the widening of Route 222 to four lanes, discussed the safety issues, requested a study for zoning and stated Penn DOT should maintain their highway and round about. Claude Beaver stated we don't know if the round abouts will fail to achieve its goal to control congestion or that it will compromise the safety of motorists, bicyclists, horse and buggies and pedestrians as stated in the resolution. He added, regarding the statement in the resolution that there is one access point for Ontelaunee Heights, that the development only has one access point now and the round about may make it easier to navigate during an accident. Mr. Beaver asked why we are asking for Route 222 to be widened to Evansville Road instead of the Kutztown Bypass.

Joseph Rudderow III stated that part of the problem is funding as well as challenges with preserved farmland. Penn DOT must fix the problem with the funding available. He added that much of the content of the resolution was the same as the 2012 resolution. In 2012, the round about concept was unique to us. Mr. Rudderow III suggested waiting for the Route 662 round about to open in July and see how that works then do something if something needs to be done.

Tom Gorgia of 307 Monaco Lane, Blandon suggested a limited access highway on Maidencreek Road. He wanted to see the tractor trailer trucks out of our town. All state roads in Maidencreek are backed up (with traffic) because of Route 222. He added that property values are stagnant.

Joel Herb, 240 W Walnut Tree Drive, Blandon questioned if there will be structures in the middle of the round about.

Claude Beaver agreed that he would be willing to sign a resolution with the revisions suggested this evening after he had a chance to review the final draft. Heidi Fiedler asked that the resolution be added to the meeting Friday, May 18th.

Repairs to Playground Equipment

A motion was made by Joseph Rudderow III to authorize the purchase of parts from Little Tykes to repair the Community Park Playground with the cost not to exceed \$3,915.80. Heidi Fiedler seconded the motion and hearing no questions on the motion, it passed unanimously.
