Diane Hollenbach & Board of Supervisors
Maidencreek Township Manager

Dear Diane Hollenbach & Board of Supervisors:

Please accept this as the official notice of my resignation. It has been a great pleasure to serve with everyone on the Planning Commission over the past years. My family and I are moving out of the Township, so I am no longer eligible to hold the position.

Good luck in the future and keep up the good work. My last meeting will be June 6, 2018.

Sincerely,
