Re: Service Electric Cablevision, Inc. Franchise Renewal

Dear Sir or Madam:

According to our records, the cable franchise (the “**Franchise**”) between Service Electric Cablevision, Inc. (“**Service Electric**”) and Maidencreek Township (the “**Township**”) is scheduled to expire on October 13, 2020. Pursuant to Section 13 of the current franchise agreement, the Franchise may be renewed for additional terms of five (5) years upon notice to the Township six months prior to expiration. By this letter, Service Electric notifies the Township of its intent to renew the Franchise and requests implementation of the five-year renewal option provided by Section 13 of the Franchise Agreement to extend the franchise expiration date through October 13, 2025. If the Township is amenable to Service Electric’s exercise of the Section 13 provision, kindly sign and return a copy of this letter to us.

Thank you for your attention to this matter. Service Electric has appreciated the opportunity to serve Maidencreek Township, and we look forward to continuing to provide the residents of the Township with quality cable television programming, high-speed internet, and telephone service for many years to come. If you have any questions, please do not hesitate to contact me.

Very truly yours,

Bethany J. Pursell
Senior Paralegal
