

General Fund (Governmental Fund)

The Township's General Fund is the default fund for all government activities in the Township. This is the repository of the General Tax millage and also the primary spending location for government expenses; public works, police, parks, zoning, building & codes, and other general government expenses (Includes Payroll and Reserve Funds).

Sanitation Fund (Proprietary Fund)

The Sanitation Fund is the repository of the recycling assessment and would also be the fund from which recycling expenses would be paid from. This fund would have restrictions to only be dedicated to permitted expenses related to charges for recycling services as outlined in Ordinance §178-7 and Section 2105 of the Second Class Township Code.

Escrow Accounts Fund (Fiduciary Fund)

The Escrow Accounts Fund is exclusively for escrow accounts that are opened for the purpose of security funds being set aside for certain projects, especially Land Development projects. These funds are all restricted and are not eligible to be transferred and may only be spent on permitted expenses.

Fire Tax Fund (Governmental Fund)

The Township's Fire Tax Fund is the fund for the use by the Blandon Fire Company to support their equipment and operations. The fund is permitted under Section 3205 (4) of the Second Class Township Code. In order to access these funds, the Fire Company submits check requests monthly to the Township, which are then approved by the Board.

Capital Expense Fund (Governmental Fund)

The Capital Expense Fund is dedicated to capital improvements for infrastructure, vehicles, equipment, and other capital purchases. This would also be the fund that would pay for any new construction. It may receive grant receipts depending on the nature of the project and whether that is categorized as a capital improvement.

State Fund (Governmental Fund)

The Township's Liquid Fuels Fund is the fund that state transfers for road improvement and maintenance are deposited. This money has regulatory restrictions by the PA Dept. of Transportation. In effect, this money may only be used for roads and similar infrastructure maintenance.

Parks & Recreation Fund (Governmental Fund)

The Park and Recreation Fund is dedicated to Park and Recreation improvements and capital spending. Much of the funds here are taken from fees in lieu of land dedication by developers. It also includes the fees for rental of parks and its facilities.
